SCHOOL HOLIDAY FUN

'FACT FINDING COMPETITION'

Looking for something free to keep the kids entertained these school holidays? Vet Group has you covered!

These school holidays we have put together a fun activity book for the kids—send them on a fact finding mission. Head to Brooklands Zoo, Puke Ariki Museum and Puke Ariki Library, fill in this booklet to be in to win.

Every entry returned to us by Monday 29th April 2019 goes into the draw to win.

Prizes include: \$100 Marbles Voucher, \$50 Subway Voucher and Movie Tickets.

Here's what you need to do:

Head to Brooklands Zoo!.....

How many meerkats does the zoo have?

What is the cockatoo's name? (Don't forget to say hello!)

How many different types of monkeys are there at the zoo?

The brolga is the official bird of which Australian state?

Draw a picture either this way... or this way.....

or this way.....

Now head to the Kids section at Puke Ariki Library.....

What is your favourite book?

Find a new book about an animal or animals you haven't read before—What is its title?

What is the bird mentioned under the leaves on the big tree wall (the one you can crawl through):

What is an interesting fact about this bird?

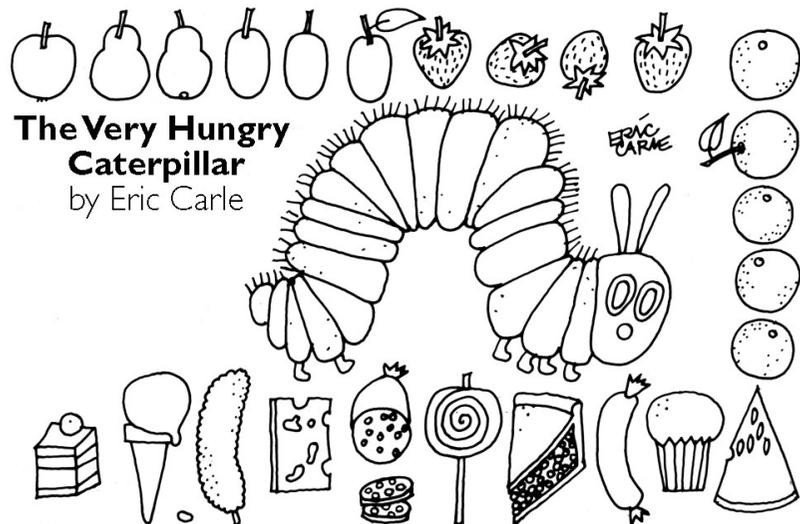

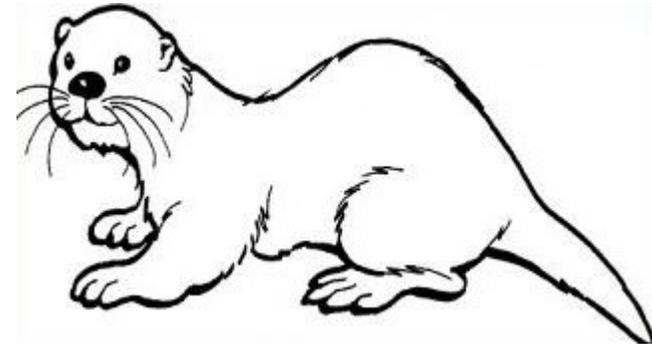

Illustration © 1969 & 1987 by Eric Carle.
This coloring sheet is provided for your personal use only, not intended for commercial use or for sale.

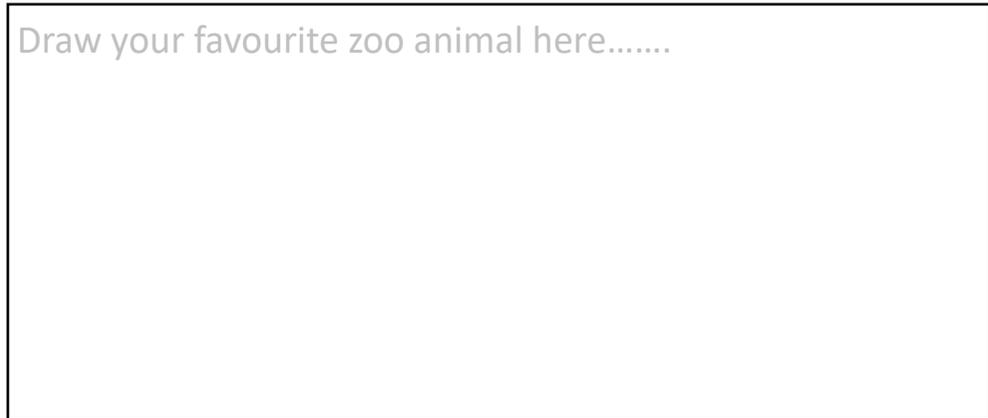

Brooklands Zoo continued.....

Jemima is a small-clawed otter, what does she like to eat?

What was your favourite zoo animal?

Why was this one your favourite?

Here's a wee reminder of the

Zoo rules:

1. No balloons, straws or party decorations may be taken into the zoo grounds (as they could get into the animal enclosures and the animals could choke on them if swallowed. They also use the zoo for grazing their farm animals when the zoo is closed).
2. Feeding of the animals; including picking flowers or plants, is strictly prohibited. All the zoo animals are fed a well balanced specialist diet and feeding any other foods can be harmful to their health.
3. Barriers, gates and fences must not be opened or climbed over for the safety of the public and the animals.
4. Indoor picnics are not permitted in the farmyard barn nor are barbecues anywhere in the zoo grounds.
5. Smoking is not permitted within the zoo grounds.
6. No dogs or pets are permitted within the zoo grounds as per MPI regulations; except for registered guide dogs and these are not allowed in the free flight bird aviary. Please advise us in advance if you wish to visit with a guide dog.
7. Any rubbish generated during your visit must be removed from the zoo grounds on your departure or placed in the rubbish bins provided.

Now head to the Puke Ariki Museum:

What hangs above you when you enter the museum?

How many coastal or seabirds are on display? _____

- Name 5 of them:

There is a great toy display—name 3 games you can play:

What is the Taranaki Rugby Mascot's name?

Play a game of Centipedes and Ladders.

- How long can a giant centipede grow up to?

How many clothing irons are on display?

How did they heat the irons with no electricity?
